

Nirash Dilshan Jayantha

CO-Founder | NexGenAI Solutions | B2B | Product Growth | Go-To-Market (GTM)

NexGenAI.asia

Info@nexgenai.asia

(+94) 77 96 95 412

My mission is to bridge the gap between sophisticated AI capabilities and tangible business outcomes. By aligning our product roadmap with market demand, I ensure NexGenAI doesn't just enter the market—it defines it. We specialize in scaling AI-driven workflows that empower organizations to move faster, smarter, and with greater precision.

Experience

Co-Founder & GTM Lead | NexGenAI Solutions

OCT 2020 – PRESENT (Sri Lanka's Leading Tech Company)

At NexGenAI Solutions, we aren't just building tools; we're architecting the future of B2B efficiency. As Co-Founder, I lead our Go-To-Market (GTM) strategy
